Sir,

In submitting herewith for sanction a statement showing the particulars of land recommended to be granted as Inam to Begar Ganapathi Devaru in the Koppa Taluk, in lieu of the land at present held as Inam, I have the honor to state as follows:—

It is ascertained that the village of Begar, in which the temple is situate and in which the managers of the Temple

Shanbogue Venkatramia, resides, is about 8 miles away from Hosur where the inam land, at present held is situated; that owing to some superstition, ryots could not be got to bring the present inam land under cultivation; that the land has been neglected for about 30 years past; that the manager has been paying the Jodi of the inam land without any profit whatever, and that he would resign the land if his prayer for exchange is not sanctioned.

The land prayed for in exchange is reported to be in the holding of one Singappa, the manager's brother, who is willing to resign the land in

favour of the deity. The villagers have no objection to the exchange prayed for being sanctioned.

The managen is reported to have built for the deity a tiled temple near his house at Begau at a cost of about Rs 200/-, and is said to take interest in the management of the temple.

Under the above circumstances, I would recommend that the exchange may be sanctioned.

I have the honor to be

Sir

Your most obedient Servant
